Austin

**State**

Texas

**Your Comments or Concerns**

TCEQ needs to be clear that its job is to protect Texas citizens and not the businesses it regulates. TCEQ failures contributed to the Feb 2021 power failure and their lagging actions are contributing to the odds of the grid failing again.

**Your Proposed Solution**

Stop nominations by the governor. Identify a method to place, qualified, consumer focused individuals on TCEQ

**My Comments Will Be Made Public**

Yes
