Dullnig

**Email**

**City**

San Antonio

**State**

Texas

**Your Comments or Concerns**

I am in support of banning the discharge of treated wastewater into the last few remaining streams that are classified as pristine in the state. These pristine streams account for less than 1% of the classified rivers and streams in Texas and should be protected and preserved!

**Your Proposed Solution**

A good solution is for Cities, camps, RV parks, etc. to apply for a Texas Land Application Permit to

properly dispose of treated effluent.

**My Comments Will Be Made Public**

Yes
