Mr. Eric Beverly
Executive Director
Sunset Advisory Commission
1501 N. Congress Avenue
Robert E. Johnson Building, 6th Floor
Austin, Texas 78701

Dear Mr. Beverly:

Thank you for the opportunity to review and provide feedback on the Sunset Commission's Staff Report for the Texas Workforce Commission (TWC), Texas Workforce Investment Council, and Purchasing from People with Disabilities Program. The Health and Human Services Commission (HHSC) works in close partnership with TWC on a range of programs and services that benefit Texans, including child care regulatory functions and employment and training programs for public assistance recipients.

The agency agrees with Sunset's findings and recommendations related to Supplemental Nutrition Assistance Program Employment and Training (SNAP E&T) noted in Issue 1, *Enhancing TWC's Coordination With and Oversight of LWDBs Would Better Ensure Effective Workforce Program Delivery for Texans*. We look forward to addressing the issues with coordination between HHSC, TWC, and the local workforce development boards to improve the client experience.

Please let me know if you have any questions or need additional information. Joey Reed, Deputy Chief of Staff, serves as the lead staff on this matter and he can be reached by telephone at 512-450-8349 or email at joey.reed@hhs.texas.gov.

Sincerely,
