Your Comments About the Staff Report, Including Recommendations Supported or Opposed: TRS employees and board members should be not be allowed to ERS benefits. They should be forced to use TRS healthcare and retirement. Maybe then, the board members would be more cautious with the insurance, investments, and buildings to house offices. Also since TRS retirees are subjected to WEP, maybe they would more willing to enforce needed COLA for retirees.

Any Alternative or New Recommendations on This Agency: All TRS Members should vote before purchases made in real estate purchases to hold as offices. We don't need overseas offices. With today's technology, they can use platforms such as Zoom.
