Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support the recommendation to restructure the regulatory boards for LPCs, LCSWs, LMFTs and psychologists under the BHEC. I disagree with the way the new agency is proposed to be structured, and would recommend that a professional from each of these 4 boards be given an official role rather than simple "ex officio" as proposed by the sunset commission.

Any Alternative or New Recommendations on This Agency: Allow professionals from LPCs, SWs, LMFTs, and psychologists to have official roles in the leadership of the BHEC.

My Comment Will Be Made Public: I agree
