Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I support having the Licensed Professional Counselors, LMFT and LCSW's under one managing entity but oppose having professional members of the committee as "ex officio" members only.

Any Alternative or New Recommendations on This Agency: Due to the ethics and specificity of the work we do, having professional committee members who understand the rules and ethics that govern the profession as a voting member or members of the committee is more beneficial than a member of the public who may not have the knowledge to effectively address the specific needs that mental health providers have.

My Comment Will Be Made Public: I agree
