Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

1. I support the creation of the BHEC through the transformation of the psychology board.
2. I oppose the classification of professional appointees on the BHEC as ex officio members.
3. The TSBSWE is not operating efficiently & effectively under HHSC.
4. Each board must remain independent under the BHEC.
5. The TSBSWE must have more money to operate effectively.

Any Alternative or New Recommendations on This Agency:

The BHEC should be made up of nine voting members - one public and one professional from each of the four boards, with a final public member appointed by the Governor.
