Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposing this recommendation. I feel like without the appropriate credentials how can a person lead a cosmetology or barber school or class.

Any Alternative or New Recommendations on This Agency: I would recommend that instead of having a signed petition dictate whether or not instructors should be licensed, they should spend some time in a cosmetology school and speak to some of the students. I'm not exactly sure why this should even be considered. In my opinion the same equivalence is a for a regular teacher. I would not send my child to school to learn from an unlicensed teacher.
